WHAT'S DOING ABOUT TOWN

D. F. Heal of Lucy was in town Saturday securing supplies.

Frank Laws, merchant, and J. A. Brittain, postmaster, of McIntosh, were county seat visitors Saturday.

The Royal Neighbors will meet on Monday afternoon, August 9th, at the home of Mrs. Mason. Important business.

Salesman Stubblefield of the Continental Oil Company, was a business visitor in Estancia Friday, coming in in his Ford.

Alex Booth has moved his family back from Santa Fe and is now domiciled in his residence in the northern part of town.

Captain Fred Fornoff, of the Estancia Lumber Company, returned Friday from a business trip to Albuquerque and Santa Fe.

Raymundo Romero was down from his home at Torreon yesterday. He reports a good shower Tuesday afternoon between here and the mountains.

Mrs. M. B. Falconer and daughter, Miss Caithness, of McIntosh, were in Estancia Monday, and pleasant callers at the News-Herald office.

Mrs. Kuykendall and daughter of Bryson, Texas, arrived yesterday morning for a visit with her mother, Mrs. Ham, and uncle, J. F. Lasater.

The Catholic Ladies Guild will meet at the home of Mrs. L. A. Rousseau, this afternoon to complete arrangements for the dance and bazaar to be given August 28th.

Dr. Amble and family, accompanied by Mrs. Eva Watson, left Monday for Albuquerque. Mrs. Amble and children expect to remain several days visiting her mother, Mrs. Booth.

Mrs. Ira M. Duensing left for her El Paso home Sunday after a pleasant week spent with her parents, Mr. and Mrs. L. D. Roberts. She was returning from a month spent on the Pacific coast.

Jesse McGhee is adding two rooms to his neat cottage north of town, and speculation is rife as to why a bachelor should need so much room. He claims to be fitting it up for rent during the coming winter. Time will tell.

Lorenzo Zamora, chairman of the board of county commissioners, accompanied by his father, Don Jose, and brother-in-law, Desiderio Salas, of Torreon, made a business trip to the county seat Monday.

Bob Little of Estancia, New Mexico, is in the city this week. He is working for Pete Wathor with his threshing machine. Bill Sutton, another former Newkirk citizen, is also working for Mr. Wathor.—Newkirk Democrat Herald.

George Pugh has again accepted a position in the local railroad shops and has moved to town, being domiciled in the Berkshire cottage north of the Methodist church. Mrs. Pugh will look after the farm, keeping the pumpkins growing for the fair.

Mrs. Sorsby, former Miss Anna McNamara, a new resident of Estancia, passed through on Friday's train, enroute to Moriarty to visit her sister, Mrs. Russell. Mrs. Sorsby hails from Finley, Texas, where her husband is railroad ticket agent.

H. J. Fincke, editor of the Moriarty Messenger, came down with Col. Sellers Monday. The colonel claimed he had broken his pump and needed someone to furnish hot air for the auto tires, so he brought the editor. Fincke claimed that the colonel is such a hot air merchant himself that he didn't need any assistance at all, having no tire trouble.

Juan C. Jaramillo, merchant of Torreon was a county seat visitor yesterday evening.

Miss Lena Grant returned Sunday morning from a visit with her sister in Texas.

Mrs. Walter Steele, who has been quite ill at the Berry Hues ranch is improving nicely.

W. W. Archer was in Estancia yesterday looking after subscriptions to the Albuquerque Journal.

Perfecto Jaramillo, a former assessor of Torrance county, was a county seat visitor yesterday from his ranch in the Palma country.

F. L. Stewart, New Mexico representative of the National Office Supply Co., of Zion City, Illinois, was in Estancia Tuesday on business.

S. Spore leaves today for Newkirk, Oklahoma. The last thing he told us concerning the test well was, "There's nothing dead sure, but we're still on the job."

Attorney McGinnis, one of the gentlemen interested in the test well proposition, was called to Oklahoma the first of the week, on business concerning oil lands he has in that state.

An interesting communication from County Agent Harwell, including a report of his work and plans for the future, is among the articles crowded out of this week's issue. This will appear next week.

Attention is called to the Delinquent Tax List, the last of which is published in this issue. Look it over and see that your name is not there, or your property will be sold for taxes next week, the sale commencing on Monday, August 9th.

Col. D. K. B. Sellers came over from Albuquerque Monday to boost for an exhibit from Torrance county at the state fair in October. He claims the roads are in fine shape, much better than he had expected to find them.

Mrs. Keith, who was brought to the valley some three weeks ago from Indianapolis, Indiana, after having suffered an attack of paralysis, died at the home of her daughter, Mrs. Harry Glover, north of Tajique, last Saturday night. The funeral service was held Sunday evening, interment being on the Glover homestead.

W. S. Kirk, an old-time resident of the valley, accompanied by his brother-in-law, A. D. Kirk, were in Estancia Monday. They have been at Mountainair the past ten days, where the latter's wife is resting for reasons of health, while the gentlemen have been looking around the valley for farm land. They thought they had found what they had been seeking and hoped to close the deal at once. Mrs. W. S. Kirk is still at Enid, Oklahoma, but will come back to the valley some time before spring. They all come back!

EPLER-MEYER

Last Sunday afternoon Julius Meyer and Miss Geneva Epler were joined in marriage at Willard, Justice Lobb officiating. Both Sheriff Meyer and his bride have been residents of Estancia and number as friends the best people of the county. They will make their home at Willard, where the sheriff has recently acquired a splendid residence. The News-Herald wishes for them happiness and prosperity galore.

CONTRACT IS SIGNED

On Friday of last week a contract was signed between a committee representing Estancia people and Messrs. Saber, Dietert and McGinnis, the contract being virtually the same as entered into a year ago with Mr. Thomas, in an effort to secure a test well for the valley. Mr. Saber is trying to locate a rig with which to commence drilling. While nothing is sure as to just when drilling will commence, it is hoped that it will be made a go this time.

TO EXHIBIT RESOURCES

Col. Sellers was over from Albuquerque Monday representing the State Fair Commission. He expected to meet the county commissioners and explain to them the advisability of making an appropriation to assist in securing and transporting an exhibit of the various products of the county to the state fair. County agent Harwell got busy and gathered a score or more of the businessmen and farmers, who discussed the matter with the colonel and promised assistance in bringing the matter to the attention of the county authorities and also in securing a representative display of the agricultural products in the broader meaning of the term, including live stock, crops, fruit, lumber, etc. Torrance county has headed the lists in securing county prizes since it was a babe in swaddling clothes, and that thousand dollars offered as first prize "looks mighty good." Other counties will know Torrance is on the map before October 16th.

WAR OR PEACE

The lecture on Saturday night, August 7th, on "War or Peace" by Attorney F. H. Ayers promises to be entertaining and instructive, and everyone should avail themselves of the opportunity to hear this subject discussed. The proceeds will be used entirely by the Ladies' Aid of the Methodist church, Mr. Ayers having generously donated the per cent. which would ordinarily go to him. The price of admission 15 and 25 cents is within the reach of all.

WOMAN'S CLUB

The Woman's Club met on Friday afternoon at the Club rooms with Mrs. Burton as hostess. Twelve members answered roll call with current events. One visitor, Mrs. Duensing, of El Paso was present. The committee reported the proceeds of the play as \$19.70, with a few small expenses. The Club wishes to thank Mr. Cargo for so kindly lending his Victrola, and also the young ladies who assisted in the play. Several important business matters were disposed of. After business was concluded the hostess served a dainty two course luncheon. The next meeting will be with Mrs. Elgin at her home.

CAMPMEETING

Rev. and Mrs. J. H. Crawford announce a camp meeting to be held at Estancia, from August 20 to 29, at which time they will be assisted by Miss Hoffman of California, formerly of Cuba, Kansas. It is hoped to make this an annual affair. An attempt is being made to secure a Gospel Tent for use during the meetings.

Mr. Crawford also announces the possibility of the removal of the Holiness School from La Lande to some point in the Estancia Valley, particulars of which will be given during the meetings.

The annual meeting of the Southwestern Holiness Association will be held at La Lande, October 26 to November 4. Dr. H. C. Morrison of Louisville, Kentucky, will be present and assist in the work of the last three days of the meeting.

Members of the Torrance County Development Association will take notice that a meeting is hereby called for Monday, August 16th at Estancia at which time business of importance will be up for consideration. As many as possible are urged to be present.

Another Link With Albuquerque

Albuquerque Citizens Add Their Praise.

Another link with our neighboring town of Albuquerque is provided in the following grateful and generous statement of a well known resident there, Mr. J. M. Vickrey, plumber, 1004 N. Eleventh St., who says: "I am sure that Doan's Kidney Pills are a good medicine for backache and kidney trouble. They brought me immediate relief from backache. I know of another case where Doan's Kidney Pills were used for pain in the back, caused by weak kidneys. Such positive benefit was had that it proved their worth beyond question."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Vickrey had. Foster-Milburn Co., Props., Buffalo, N. Y.
